

cardia Delivery System

Product Code	Description	Sheath
AC-10-1801	10F Standard System	80 cm length with 45° curve
AC-11-1801	11F Standard System	80 cm length with 45° curve
AC-12-1801	12F Standard System	80 cm length with 45° curve
AC-13-1801	13F Standard System	80 cm length with 45° curve

Special Features

- Kit includes braided delivery sheath, dilator, and introducer with side flushing port.
- Sheath comes in 10, 11, 12, and 13F sizes.
- The distal portion of the braided sheath has an ASD curve (45° angle) to allow easy access through the atrium during PFO and ASD procedures.
- Comes in various lengths from 60 to 80 cm's

ultrasept PFO Device

Order Number	LA - RA Diameter	Delivery Sheath
SO-02-0020	20mm	10F
SO-02-0025	25mm	10F
SO-02-0030	30mm	11F
SO-02-0035	35mm	12F

ultrasept ASD Device

Order Number	Centering Mechanism	LA - RA Diameter	Delivery Sheath
SO-06-1000	6mm	20mm	9F
SO-08-1000	8mm	22mm	10F
